Introduction To SSIS

Sri Sharada International School is an educational institution, developed to facilitate a child-friendly environment and value-based teaching. This institute maintains high standards of teaching & learning for students. Our institution was established with futuristic vision and mission to set up the goals of Academics. The major motive of this is to facilitate quality and competitive education for the children of this educationally backward region.

Our Possessors

A legacy of perfection

SHRI V. R. Patil
Chairman

SHRI S. R. Patil
Secretary

SHRI Kiran Patil
Trustee, SSFT

KUM Pooja Patil
Trustee, SSFT

In our efforts to deliver quality education, we emphasise more on the need to establish one to one contact with every student and be attentive to his/her need so that the our teacher can monitor individual's progress and guide them accordingly on the way to success

5 PILLARS OF SSIS

1

ACADEMIC EXCELLENCE:

Nurturing student to achieve academic excellence through Innovative Teaching Methods.

2

HOLISTIC DEVELOPMENT:

Learning beyond classrooms through extra-curricular activities to ensure all round development.

SHAPE

SSIS Unique Academic Philosophy

SSIS believe in preparing its students for life. Shaping them into individuals with higher capabilities, skill, risk taking and challenging citizen of a proud nation. We believe in building leaders for tomorrow through an all new academic philosophy SHAPE, exclusively designed with an aim of providing 360degree development to our students.

S H A P E

Skill based Holistic Academic & Physical Exposure

HOLISTIC DEVELOPMENT

A child's intellectual, emotional, social, physical, artistic, creative, and spiritual potential unfolds with a holistic perspective in education. A holistic approach encourages personal and collective responsibility by engaging students in the learning process. This approach let students engage in projects that apply critical-thinking skills toward solving real-life problems. In line with this, educational models and teacher strategies are integral to promote holistic development in children. At SSIS we promote these skills in various ways such as:

MACD

Music. Art. Craft. Dance.

Music – Various music instruments like Keyboard, table, Harmonium, Guitar and Drums are taught to students along with Hindustani karnatic vocal.

Art & Craft – Art and craft studio is one of the major happening places of our school. It gives ample opportunities for students to explore various forms of art, drawing and crafts. Students works are displayed in a gallery for the parents and the visitors to view.

Dance – Students are allowed to explore any dance form of their choice. Classical dance forms like Bhartanatyam and Odissi are taught along with folk and western.

Life Skills Programme

The term, Life Skills, refers to the skills you need to make the most out of life.

Sri Sharada International school follows a robust Life Skills Programme. Our program aims at emotional, physical and spiritual wellbeing with a rigorous learning program we have created.

Life skills are abilities for adaptive and positive behaviour that enable humans to deal effectively with the demands and challenges of life.

Clubs

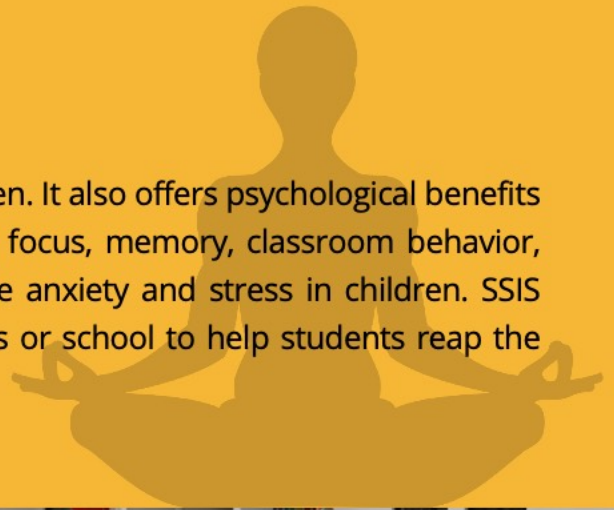

SSIS provides a holistic education that perfectly balances academic and extracurricular activities. It is one of the reasons behind the growing popularity of our clubs. It is more than just a place where children of various age groups spend time with each other, learning and honing their talents. Few of the leading clubs of our school are

- Eco club
- Literature club
- Change Makers
- Sports club

Yoga

Yoga improves balance, endurance, and strength in children. It also offers psychological benefits to children. Research has shown that Yoga can improve focus, memory, classroom behavior, self-esteem, and academic performance, and also reduce anxiety and stress in children. SSIS integrated Yoga as a part of physical education programs or school to help students reap the benefits.

Bhagavad-Gita

Bhagavad – Gita is introduced in our school as a part of moral education. Every Saturday student recite the sayings of Bhagavad-gita and understand its values. This has helped many students and teachers to make it a habit and extended these in their own families. The huge auditorium in the school campus turns into a temple of learning when 1000 student chant together the slokas of Bhagavad-Gita,

Movie time

Movie time is another way of bringing all the students together as a family in our school campus. Hostel kids have a movie every Sunday evening and from Hollywood to Bollywood to all other Indian languages are shown. Live speeches of prominent people, TED talks, Documentaries, educational movies ect. as well national and international programmes are shown to students in the huge auditorium where we are equipped with LED screen.

SPORTS

Physical education is designed to encourage the importance of physical and mental well being in children of all ages. At SSIS, students play, grow and learn through the modern and updated facilities applied to a range of sports activities, like:

- Skating
- Football
- Volleyball
- Badminton
- Swimming
- Kho-kho
- Khabaddi
- And many more athletic events.

SSIS OFFERS

W.R.I.T.E – LIBRARY CURRICULUM

WRITE is a reading skill development programme with the help of which we work on the reading abilities of students. Designed in the most child friendly way and catering to the needs of all age groups, activities, guest lectures, young poets and writers and a lot more of conversations over a cafe is what makes it the most unique library of a school. Specially designed ambience and the availability of wide range of books is loved by all the students of the school.

SEWA CBSE program

SEWA aims to develop a whole person in their intellectual, personal, emotional, and social growth. Learners engaged in this program are expected to be lifelong learners and through experiential learning develop as active citizens and caring and compassionate humans.

SRI SHARADA **HORSE RIDING ACADEMY**

Sri Sharada Horse riding School: - Horses are the best Therapists. Horseback riding improves both physical and mental health of the rider. SSHS with skilled trainers with traditional connection gives your child the best of training to take up this finest art of taming most intelligent animal. A life skill forever.

INTERNATIONAL STUDENT EXCHANGE PROGRAMME

Student Exchange Programme: In order to give our students a worldly exposure and give new perspectives of global vision, regular exchange programmes are being organised (presently online mode). This SEP promote higher degrees of awareness about geographical locations, acceptance for cultural diversity, and an increase in their cultural capital.

ASSP After school sports programme

SSIS is introducing ASSP, after school sports programme which will allow students to get the maximum benefit of all the sports facilities available in the campus.

Staff

Sri Sharada International School follow unflinching approach to select finest teachers who will play the vital role of mentors to your children. Our team of faculty are dedicated, experienced, qualified and encourage your child's inquiry-based learning.

Best-in-Class Infrastructure

A good school infrastructure with good spaces makes it a good place for the children to learn and grow.

School Building

The spacious well planned school building with age appropriate design, all amenities and good architectural features is a perfect place for your child's education.

Classrooms

Smart Interactive digital boards, ergonomic furniture with pleasant and ambient classrooms bring seamless educational atmosphere.

Playground

Sprawling campus accommodates Athletics ground with 200m track along with sporting grounds for Kabaddi, Kho-Kho, Volleyball, Throw ball, an indoor complex with Table Tennis and wooden floored badminton court.

Swimming Pool

A semi Olympic Swimming pool is ready to take Dolphins out of your child. Qualified, full-fledged trainers are stationed in the campus to teach your child the very essential skill of swimming.

Well- resourced Laboratories & Science Park

Children are not vessels to be filled but light to lit! To ignite the young minds the school have fully equipped Mathematics Lab, Composite Science Lab, Computer Lab, Language Lab and Robotics/ Tinkering Lab. To experience the minute scientific phenomena, we have an open Science Park with more than twenty five exhibits. The children explore, experience and grow here.

Library

Today's Readers are Tomorrow's Leaders! A thoughtfully designed and beautifully spaced garden-themed library aimed at developing students' reading and research skills.

Art studio

Aesthetically designed Art room is a joy for every child of the school. Right from making miniature statues from clay, creating fine paper origami to designing a handmade birthday card every child is involved in various activities to exploit their artistic potential!

Computer lab

Our spacious and ambient computer labs create inclusive and structured learning environments where students prepare themselves for a tech-heavy future.

Language Lab: Language lab plays an important role in the language learning process providing technical tools for the students to learn the basic skills of the language and pronunciation of language in an easy way.

Talking Tree

An innovation that sets the Learning Experience of a child to the next level! The school has adopted an interactive robotic Talking Tree – Mr. Dudu, a window into the world of Artificial Intelligence brought in to live experience.

Music Room

Performance Arts shapes the complete personality of a child. Through plethora of instruments like Harmonium, Tabla, Keyboards, Congo, Jazz drums along with complete School Band, the rhythm sense of the children is awakened and flair for the divine art of singing as well.

Mathematics lab

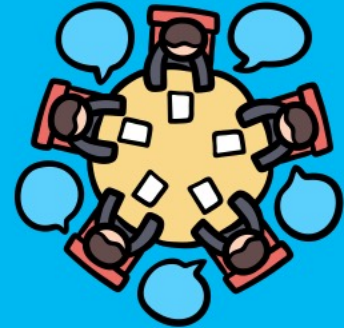

SSIS Mathematics laboratory provides activities that arouse the curiosity of the students and maintain their interest in learning.

Collaborative Mechanisms

SMC School Management Committee

Management, Teachers, Parents and Educationists are the members of SMC who meet thrice yearly for important policy decisions and betterment.

PTI - Parent Teacher Interaction

We organize regular parent and teacher interactions to give feedback, offer counselling and to get parents involved in their kids' performance in the school.

POP - Parent Orientation Programme

An event organized once in the beginning of an academic year to ensure understanding of procedures of evaluation, activities of the school.

Activities partnering with Parents

Regular activities/competitions for children along with their parents to have better communication and match correct frequency.

Parent portal (ERP)

Safety First

360° Surveillance

Students are under the watch of more than 120 CCTV cameras in the campus.

Secured Campus

24 x 7 vigilant and trained guards with single access point makes the seven acre campus totally secure and safe for your child.

+ Everyday Medical Care

Separate Physicians for both boys and girls visit the campus and attend the sick children in the evening time. The school have strong ties with leading hospitals of Koppal for instant medical care in case of any medical emergency with a resident driver for such cases.

POCSO & Child Safety

The school practices zero tolerance against any of its employees/representatives in matters related to child safety. Related Committees are functional under the guiding principles of Government from time to time. Safety efforts along with security audits are regular features of the school.

Trained security guards

Fire compliance

Periodic emergency drills

GPS equipped buses

Security controlled Entry and Exit

Background check on every staff

Trained female Sub staff

Student Teacher ratio

We offer of a lower student-faculty ratio which include smaller class size. This is where students can receive individual attention from our highly qualified teachers, it helps accommodation of different learning and teaching styles, and much more.

Mentorship Programme

Mentorship programs can have a positive impact on student engagement and retention. By taking part in a student-teacher mentorship program, you can gain invaluable advice and guidance that can help you achieve your academic, career, and personal goals. So don't be afraid to reach out and find a mentor—you won't regret it!

Recreational tours

Consider taking a recreational tour to relieve some of the exam stress! Recreational tours conducted by provide a fun, safe, and convenient way to explore the area surrounding our college. At our college, we offer recreational tours to students. These tours are a great way to escape the stress of exams. During a recreational tour, students can take a break from studying and take in the sights and sounds of the area.

Motivational sessions

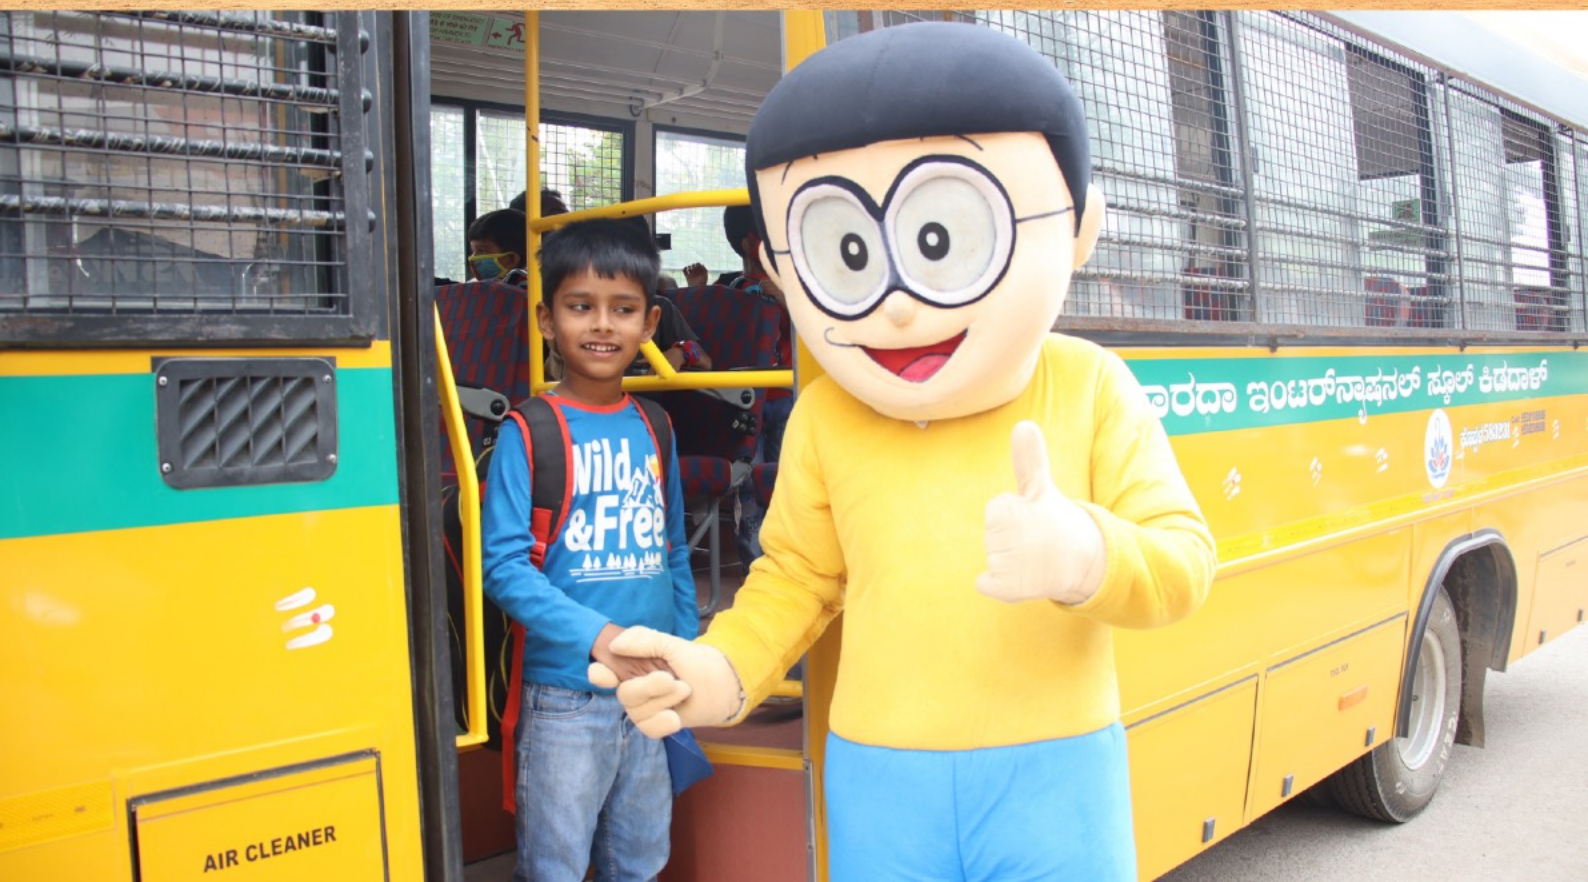

At our college, we take pride in the motivational sessions we offer. Our staff is committed to providing a safe and enjoyable experience while helping you learn more about yourself and your goals. Plus, motivational sessions are a great way to meet other students and make progress towards your goals.

Cultural Events

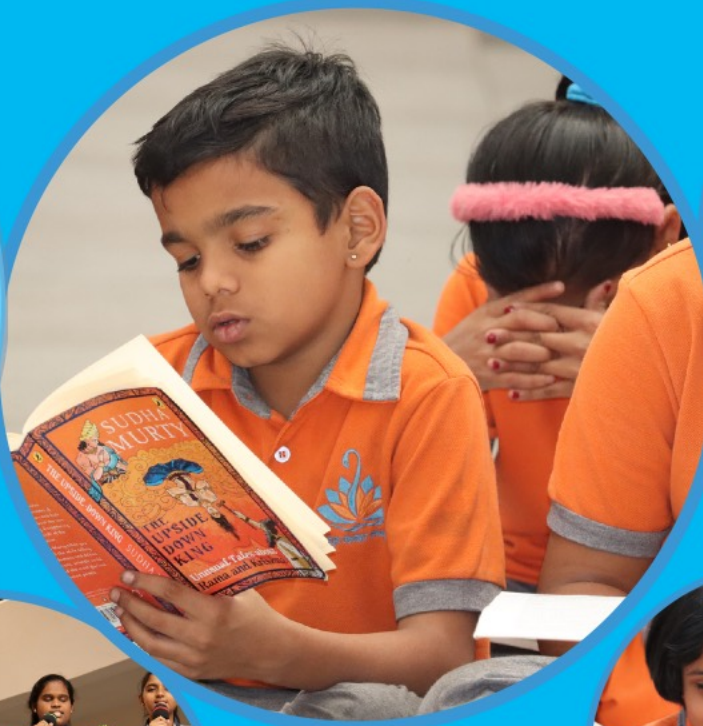

At our college, we host a variety of cultural events for students and their families. College events, be it cultural or non-cultural, they bring out most of the hidden talents. Cultural events are the best way to showcase the leadership and managerial skills at a very young age. Cultural events provide a great opportunity to explore our college's culture in a fun, safe, and convenient way.

Best Transport

SSIS &SSPU runs a fleet of buses with modern facilities for the transport of its students from various parts of Koppal and surrounding places following all norms of the CBSE/Government.
